794 PROFESSIONAL STUDIES - BACHELOR OF SCIENCE DEGREE
(FOR CATALOG YEAR 2023-2024)

No grade less than C- in required courses

Courses may not double-count within your major.

If a course counts toward a required certificate, it cannot also count toward a required minor. All General Education courses will double-count.

NOTE: Core Courses Option 2 is available for campus students only.

Graduation in this program does not imply or guarantee licensure or certification reciprocity or job attainment in Idaho or any other state or country.

This degree is application-only. Some combinations of degree components might not be allowed if there are too many overlapping courses. Typically, at most one course can overlap in any two of your degree components.

In addition to completing the General Education course requirements, you must also complete: 3 certificates (12 - 15 credits each) - OR - 1 minor (20-24 credits) AND 1 certificate or clusters (12-15 credits each) of your choice to equal a total of 120 credits.
